SPORT SYSTEM – Brief company profile

Since 1979 **Sport System** has been designing, manufacturing, installing and trading in Italy and Internationally a wide range of equipment for **gymnastics, athletics, individual and team sports**.

The **quality of material** used, the **design** of equipment produced, the respect of each sports' single technical requirements, the **service** provided both before and after sales, has all been helping **Sport System** to accomplish both requests of institutional customers as well as the needs of the more sophisticated professional sportsmen.

Specialized in basketball and with **more than 40 years experience** in designing and manufacturing top quality professional basketball **backstops FIBA approved** for International competitions, **Sport System** is partner of **FIBA "Equipment and Venue"** centre as well as the official supplier of some of most prestigious basketball clubs and basketball arenas worldwide. Recently a line of **outdoor 3x3 basketball backstops** has been developed and one of those models has been used in occasion of several **FIBA Europe's 3x3 Eurotours**.

The brand **Sport System** has been increasing its popularity even in the professional world of **football (soccer)** once the line of professional equipment for football stadiums has been developed and launched few years ago. **Sport System's VIP team shelters** have been already installed in some of the most famous and worldwide known "temples" of football.

Commitment to constantly improve the quality of proper products and the dedication to each detail, in absolute respect of the strictest norms for safety measures, represent the heart of the company's philosophy ... a philosophy based on the aim to overcome the client's expectations on each single project.

With present brochure **Sport System** wants to present a selection of different main references acquired recently and in past years, divided in 3 main categories, plus **new dividing curtains section**.
